Vol. LXII, No. 6, June 2013

## From the Commodore

**Happy June!** This marks our official start to boating season. As I write this, I am watching the weather for our **Opening Day**. Forecast seems to be changing by the hour, but I am taking the optimistic approach. In preparation for our Opening Day, there were many hands involved to make it happen. Flags, music, food, etc. all take a great effort, and I thank the members for their hard work. Having Opening Day on Memorial Day weekend, we follow the traditions put forth by our founding members and take the opportunity to thank all those who have protected us and continue to do so. We do this with great pride as Americans. We have several new members this year. I hope you all had the chance to experience this event and that you begin to understand how very special Minisceongo Yacht Club really is. I am proud to have officially opened the Club and thank all of those who attended.

So, in keeping with the weather...our **Junior Sailors** did a great job painting the Optimis! It was a damp and misty day, but they laid down tarps under the Pavilion and completed the job. The boats look great and our kids even had fun practicing setting up and taking down the sails. Another great job by all who helped.

Our **East Bank repair** is in its final stages of completion. Sound Marine did their best to complete the work that was affecting our dock space. They still have some work to do (caps, tie-backs, backfill etc.), but its impact to our operations should be minimal. This project has not only repaired the damage from

Minisceongo Yacht Club will hold its next meeting on Friday, June 14, 2013, at 8 P.M., in the Clubhouse.

Sandy, but it improved the safety of our basin overall. Sound Marine should have this all completed by early June.

I hope you all had a chance to look at the **proposed clubhouse plans**. Please reach out to any member of the Clubhouse Committee to ask questions and/or submit your input by the next membership meeting (June 14). Again, this is a huge step for the future of MYC, and I hope you are all as proud as I am to be a part of it.

In June, we plan two very special events. The first is **Father's Day Brunch**. This is another tradition that has been carried on. Speaking for myself, there is no other place I would want to be on Father's Day than at MYC surrounded by family and friends...and let's not forget to mention the eggs & bacon! The other event is our **Dock-Go-Round**. This is a great event where we take the time to visit other docks, board others boats, and have a friendly competition of which dock has the best appetizers and drinks! We wrap up the tours with a great dinner and again, more laughs with our MYC family. Both events are memorable, so I hope to see you all there, and don't forget your cameras!

Our season for boating is short as compared to many others. Take advantage of every beautiful day on the river. *Be safe, happy and healthy!*

## June Boat Yard Report

*From Yard Chairman Roger Wieland:* Most of our boats have been launched. For those of you with jack stands, I suggest that you put your name on each one, and take home your chain and poppets. Unfortunately each year a few stands go missing, which we are not responsible for.

All of the trailers on Club property must have the owners name on it. Dry Sailors and those who winter store with us will not be charged a summer storage fee. For those who have a slip and do not winter store with us, there will be a \$100.00 charge to leave your trailer on Club property for the summer. If you

have any questions please contact me on my cell: 201-788-7317.

If during the season you need a short or long haul, contact me. With a short haul you can hang in the straps for up to three hours. If you need more time, you will require a long haul where we block your boat in the Boatyard.

All dry sailors should keep their boats in the Boatyard. If you have a slip contact me, and I'll tell you where to store your trailer.

*Thanks for your cooperation,  
Rog*

## Report for May from the Board of Directors

*From Senior Director Dave Tonneson*

- ☞ The Board received a report from the Long Range Planning Committee dated May 7, 2013.
- ☞ We have five new Associate Member Applications [voted upon at the May membership meeting].
- ☞ The Board wants to remind all members that all contractors must show proof of insurance to work on our grounds.
- ☞ The recent fire at the Travel-lift Area was handled well by the Stony Point Fire Department and Fireboat.

- We are equipped well for fire protection, but a fire of that magnitude was beyond our capabilities.
- ☞ The Directors approved the use of the Sutherland Pavilion by the Stony Point Fire Department on August 4.
- ☞ The Pump-out that was damaged during "Sandy," needs to be repaired quickly. The cost is \$3,095.00 and is planned for May 13. This expense may be reimbursed.

## The Ladies Auxiliary of MYC

*From Captain Dianne Silver:* After hearing annual reports from last year's bridge and concluding May's Annual meeting, the Bunco Babes laughed their way through the dice game led by the Bunco Queen (me). We discussed plans for the season including signing up for the annual May planting and for working at the Ship's Store on Opening Day.

The small but mighty planting crew, led by Keira Burtch, did a great job beautifying the Club grounds just in time for Opening Day. Thanks for all your hard work!

Not only does Opening Day mark the beginning of another great boating season, it gives us an opportunity to display and sell the great MYC merchandise procured by our talented buyer, Linda Ferraro. In addition to clothing and accessories with the MYC logo on them, we have some terrific "Clubhouse" memorabilia. We are taking orders for woodcut replicas, mugs, note cards and mouse pads featuring the Clubhouse. If you didn't have a chance to make a purchase/order yet, call Linda for clothing and accessories or call Janice Romano for Clubhouse items.

Also for sale at Opening Day were raffle tickets for the drawing to be held at the Annual Picnic on August 24. It's not too late to buy your ticket(s) for a chance at one of **many prizes** including a Visa gift card, a certificate for items at our Ship's Store or a certificate for a local restaurant. If you haven't purchased your raffle tickets yet (or if you want to buy *more*), see Deb Fass.

We have an interesting program planned to follow the June business meeting—Keira Burtch will tell us about the trip she and Jeff took aboard *Good Tidings*. While most of the trip provided an enjoyable experience, Keira also wants to share with us a frightening event and what we all should know in case of an emergency while boating.

Miriam Raber has offered to be our Sunshine person again this year. Please keep her informed of concerns and congrats for our members.

*Happy Boating!*

## Sunshine

*From Dominick Ferrara for MYC  
and Miriam Raber for MYCLA*

- ☞ Condolences go to Slim and Maggie Bartow on the passing of Slim's sister, Freda Bartow on Saturday, May 18.
- ☞ Get well wishes go to Bill Pigott with rotator cuff problems, John Verrengia with pneumonia, and Tony Ferraro recovering from knee surgery.
- ☞ Bob and Ginger Weismantel wish to announce the marriage of their son William to Christie Hopkins on March 11. The couple is residing in Mt. Joy, PA.

## Sail Fleet News

*From Sail Fleet Chairman Dennis Doyle:* The MYC sailing season is off to a good start. Several races have been completed, and the results are posted on the Clubhouse bulletin board by the ship's clock. The race schedule dates are posted on the web site.

Our race marker "H" seems to have encountered some unexpected reconfiguration at its position on the river. We are in the planning process to correct its disfiguration.

The Junior Sailing Camp is approaching fast. The Optis have been given a fresh coat of paint and numbering. At the painting and pizza party on Sunday, May 19, Jessie gave some refresher lessons as to the proper rigging of the mast and sails. Some boats will receive some upgrades, such as new air safety bags, blocks, and cordage. The Optis are available any time for sailing by the Juniors under adult supervision with a chase boat.

## 29<sup>th</sup> Annual Antique & Classic Boat Show

*Saturday, August 17-Sunday, August 18  
10 A.M.-5 P.M.*

at the

**Hudson River Maritime Museum**  
*Rondout Creek  
Kingston NY 12401*

## Cruising Fleet News

*From Cruising Fleet Chairman Jeff Burtch:* We saw many great marinas on our trip, and MYC is up there with the best of them. We have a safe protected harbor, placed in beautiful surroundings, in an area with access to some of the best cruising on the east coast. On the other hand there is *winter*. The best part is the MYC extended family here and all along the way. Thanks, it's good to be home.
